

REPRESENTING ACHIEVEMENT IN BIOSOLIDS MANAGEMENT AND ENVIRONMENT STEWARDSHIP

**TIER**

**BRONZE LEVEL  
RECOGNITION**

The Bronze Level recognizes that the organization has made a commitment to the NBP Code of Good Practice, with the acknowledged goals of implementing the 17 NBP Biosolids Management Program Elements and obtaining independent verification of the organization's BMP in the future.

This organization,

**Littleton/Englewood Wastewater Facility  
Englewood, Colorado**

has successfully met the Bronze Level requirements for the

**National Biosolids Partnership  
Biosolids Management Program**

that supports excellence in biosolids management practices, augments regulatory compliance obligations, environmental performance and provides meaningful opportunities for public participation.

A handwritten signature in blue ink that reads "Catherine R. Gerali".

**Catherine R. Gerali – Chair, NBP Steering Committee**

**April 4, 2012**
